Attention:

STATINTL

Gentlemen:

Reference is made to the letter from this office dated February 6, 1958, No. 395, in which Haller, Raymond and Brown, Inc. accepts the offer made jointly by the representatives of the government contracting agencies in attendance at the meeting to allow as reimbursable cost for cost type contracts an amount equal to 50% of the allowable corporate general and administrative expenses.

However, the period specified in the above referenced letter was erroneously stated from June 1, 1956 to January 31, 1958. The period for which approval was given and accepted by Haller, Raymond and Brown, Inc. should be from June 1, 1956 to December 31, 1957.

This confirms the telephone conversation between [redacted] and [redacted] on February 17, 1958.

It would be appreciated if acceptance of the contents of this letter be indicated on the copy of this letter provided for that purpose.

Very truly yours,
